

Hi there! Looking for a great deal on a used car? I've got a fantastic selection. To help me find the perfect car for you, tell me: 1. What's your budget? 2. What make and model are you interested in? 3. What year are you targeting? Once I have this information, I can show you some amazing options.

I want to buy a black BMW

Okay, a black BMW. That's a great choice! I have a couple of BMWs in stock. To give you the best options, could you tell me your budget and what year you're looking at? I have a 2014 model with a MMR of \$31,900 and another 2014 model with a MMR of \$66,000. Let me know your price range and we can go from there.

I have a budget of 50000 USD.

Excellent! A \$50,000 budget opens up some nice possibilities. Given your preference for a black BMW, the 2014 model with a MMR of \$31,900 is well within your budget. Are you interested in seeing more details on that one, or would you like to explore the other 2014 BMW (MMR \$66,000)? Let me know your preference and we can move forward with a test drive and final price.

I want the first one.

Great choice! The 2014 BMW with a MMR of \$31,900 is a fantastic car. To finalize the deal, I can offer it to you for \$30,000. Does that work for you? If so, we can schedule a test drive and complete the paperwork.

Sure, that works fine for me.

Fantastic! \$30,000 it is. Let's schedule that test drive. What day and time works best for you?

Saturday morning

Perfect! Saturday morning it is. What time on Saturday morning works best for you? We can finalize the paperwork after the test drive.

11 am

Perfect! Saturday at 11:00 AM. See you then!
